Assistant Clerk*

Massachusetts Dental Society (MDS) Foundation

The Friends of the Foundation celebrates dentists, friends, organizations and businesses who put themselves on the front line to provide access to care for children, working families and the elderly in our Commonwealth by generously contributing at Recognition Club levels.

Becoming a Friend of the MDS Foundation is an important step to help improve the oral health of the approximately one million Massachusetts residents who do not have access to care.

How Do I join?

Joining our Recognition Club is as easy as making a tax- contribution at any one of the levels listed.

What does my gift support?

Your gift enables our Foundation to pursue our mission. Projects include:

- ◆ **Expansion of the Mobile Access to Care (MAC) Van project.**
This program provides free dental treatment to needy children throughout Massachusetts and a referral system to help these children find a “dental home.” Since its inception, the MAC Van has treated more than 2,500 children with services valued at an estimated \$600,000.
- ◆ **Partnering with community based centers that provide oral health screenings for oral cancer.**
- ◆ **Teaching caregivers to help their patients and loved ones.**
- ◆ **Helping our seniors prevent dental disease.**

What kind of contributions can I make?

Direct donations by check or credit card
Pledge plans
Bequests
Honorarium or memorial donations
Charitable Trusts

Gifts of Stock
Gifts of life insurance or retirement plans
Gifts of Annuities
Gifts of Real Estate and more...

MASSACHUSETTS DENTAL SOCIETY (MDS) FOUNDATION MISSION STATEMENT

The MDS Foundation is dedicated to using its resources to improve the oral health of Massachusetts residents, provide access to care for those less fortunate members of society, and to enhance the educational opportunities of those individuals who wish to pursue a dental career.

The Foundation is also committed to partnering with similar organizations with comparable goals to further these causes and other endeavors where dentistry can make a positive impact.
